**PLAINTIFF'S VERIFIED ORIGINAL PETITION AND
EMERGENCY APPLICATION FOR *EX PARTE* APPOINTMENT OF RECEIVER**

Plaintiff Imperial Trading Co., LLC (“Plaintiff” or “Imperial”) files this Verified Original Petition and Emergency Application for *Ex Parte* Appointment of a Receiver (the “Verified Petition”) against Defendants A-Z Wholesalers, Inc. (“A-Z”), Diamond Wholesale, Inc. (“Diamond”), Barkat G. Ali (“Barkat”), and Amar B. Ali (“Amar”). Together, A-Z and Diamond are referred to herein as “Debtors.” Together, Barkat and Amar are referred to herein as “Guarantors.” Collectively, Debtors and Guarantors are referred to herein as “Defendants.” Imperial also seeks the *ex parte* appointment of Daniel J. “Corky” Sherman of Sherman & Yaquinto, LLP as the receiver for Defendants,¹ pursuant to Chapter 11 of the Texas Business Organizations Code, Chapter 64 of the Texas Civil Practice and Remedies Code, and this Court’s equitable and inherent powers. In support thereof, Imperial submits the following:

I. RELIEF SOUGHT (RULE 47 DISCLOSURE):

1. Pursuant to Texas Rule of Civil Procedure 47, Imperial states that the damages sought are within the jurisdictional limits of this Court. Imperial seeks monetary relief of over

ONE MILLION AND NO/100 (\$1,000,000.00) DOLLARS, and non-monetary relief, as well as taxable costs of court, expenses, pre-judgment interest, post-judgment interest, and attorneys' fees.

II. DISCOVERY CONTROL PLAN:

2. Imperial intends to conduct discovery under Level 3, pursuant to Rule 190.4 of the Texas Rules of Civil Procedure.

III. PARTIES:

3. Plaintiff Imperial Trading Co., LLC is a limited liability company organized under the laws of Louisiana, with its principal place of business in Elmwood, Louisiana.

4. Defendant A-Z Wholesalers, Inc. is a corporation organized under the laws of Texas, with its principal place of business in Dallas, Texas. A-Z may be served with process by serving its registered agent, Amar B. Ali, at the following address: 5656 N. Central Expressway, #401, Dallas, Texas 75206, or wherever he may be found.

5. Defendant Diamond Wholesale, Inc. is a corporation organized under the laws of Texas, with its principal place of business in Waco, Texas. Diamond may be served with process by serving its registered agent, Amar B. Ali, at the following address: 5656 N. Central Expressway, #401, Dallas, Texas 75206, or wherever he may be found.

6. Defendant Barkat G. Ali is an individual who resides in Collin County, Texas and may be served with process at 4527 Wyvones Way, Plano, Texas 75024, or wherever he may be found.

7. Defendant Amar B. Ali is an individual who resides in Dallas County, Texas and may be served with process at 5656 N. Central Expressway, #401, Dallas, Texas 75206, or wherever he may be found.

IV. JURISDICTION AND VENUE:

8. This Court has Jurisdiction over this suit and all Defendants.

9. The wrongful conduct committed by Defendants, as shown *infra*, occurred in whole or in part in Texas. A-Z has represented that its principal places of business is in Dallas County. Barak, who owns and operates the Debtors' businesses, is believed to be a resident of Collin County, Texas, who works in Dallas County, Texas, while Amar is believed to be a resident of Dallas County, Texas.

10. Pursuant to Tex. Civ. Prac. & Rem. Code § 15.002(a) venue is proper in Dallas County, Texas because all or a substantial part of the events or omissions giving rise to the suit occurred in Dallas County, A-Z's principal place of business is in Dallas County, and Amar resides in Dallas County.

V. STATEMENT OF FACTS:

11. The following facts are supported by this Verified Petition, which is verified by Brad Prendergast, who is Vice President of Finance for Imperial, and include the following exhibits, which are incorporated herein by reference:

- a. Exhibit 1 – Credit Agreement, dated March 11, 2011, by and between Imperial (through its predecessor in interest Harrison Company, LLC) and A-Z, and guaranteed by Guarantors (the “A-Z Agreement”).
- b. Exhibit 2 – Commercial Guaranty of Amar Ali, dated January 11, 2019.
- c. Exhibit 3 – UCC-1 financing statement filed with the Office of the Secretary of State of Texas on January 19, 2018, as instrument number 18-002135898.
- d. Exhibit 4 – Credit Agreement, dated November 7, 2013, by and between Imperial (through its predecessor in interest Harrison Company, LLC) and Diamond, and guaranteed by Amar (the “Diamond Agreement”).
- e. Exhibit 5 – UCC-1 financing statement filed with the Office of the Secretary of State of Texas on August 14, 2018, as instrument number 18-0028614696.
- f. Exhibit 6 – Notice of Default and Demand for Payment to Defendants, dated March 18, 2019.
- g. Exhibit 7 – Invoices from Imperial to Debtor.

- h. Exhibit 8 – Copies of Stopped Checks from Defendants to Imperial in the aggregate amount of \$175,000.

12. The terms of the A-Z Agreement and the Diamond Agreement are substantively identical. Those two agreements are referred to herein, collectively, as the “Credit Agreement.”

13. This Verified Original Petition and Application for Appointment of a Receiver arises as a result of the Defendants’ breaches of, and defaults under, the Credit Agreement.

14. Notwithstanding the fact that Amar executed the Diamond Agreement on behalf of Diamond as “Purchaser,” the credit agreement attached thereto shows that goods purchased and/or supplied thereunder were to be shipped to A-Z in Dallas, Texas. *See* Ex. 4.

15. Under the express terms of the Credit Agreements:

- a. “All invoices are due and payable without discount on or before expiration of the terms assigned to the Account;”
- b. Defendants “agree[d] to any interest on all past due sums at the rate of 22 percent per annum;”
- c. “In the event that [the personal guaranty] is executed by more than one person, then, in such event, the liabilities and obligations of the undersigned hereunder shall be joint and several and the relative wants herein shall be read so it is written in the plural;”
- d. Defendants “agree[d] that if it appears that the customer is insolvent or about to become insolvent or if any balance remains unpaid after the same is due, that all credit may be terminated [by Imperial] without notice until all balances are paid and until [Imperial] receives such assurances as are sufficient in its sole opinion to insure that all future charges will be paid when due;”
- e. Defendants “agree[d] to pay, in the event the account becomes delinquent and is turned over to an attorney or agency for collection, a reasonable fee;”
- f. Defendants “acknowledge[d] that the statement for goods and/or services purchased from [Imperial] are not payable in installments, but are payable in full...;”
- g. The terms of the Credit Agreements and Guarantors’ personal guarantees “shall apply to all sales made by [Imperial] to Purchaser and not merely to the business location or operation noted [t]herein;” and

- h. Defendants “grant[ed] a UCC security interest in and to any and all of [Defendants’] present and future inventory (including consigned inventory), related equipment, goods, merchandise, and other items of personal property, items held for sale, including any and all right of forfeiture, all insurance proceeds related to above related items whether now owned or hereafter acquired by [Defendants] and proceeds therefore [(hereinafter, the “Collateral”)], for all stores that [Defendants] operate[] now and hereafter and for all related parties and entities.”

See Exs. 1 and 4 (emphasis added).

16. Imperial perfected its security interest in the Collateral by filing the UCC-1 financing statements attached hereto as Exhibits 3 and 5, respectively.

17. Moreover, Guarantors personally guaranteed the A-Z Agreement, and Amar personally guaranteed the Diamond Agreement (directing shipments to A-Z). Each personal guarantee states:

I, the undersigned, hereby personally guarantee to [Imperial] payment of any obligation of the aforesaid Purchaser and I hereby bind myself to pay you on demand any sum which may become due to you by the Purchaser whenever the Purchaser shall fail to pay same. It is understood that this guaranty shall be a continuing and irrevocable guaranty and indemnity for such indebtedness of the Purchaser. I hereby waive notice of default, non-payment and notice thereof ... I further agree to pay, in the event the account becomes delinquent and is turned over to any attorney or collection agency for collection, a reasonable fee....

See Exs. 1 and 4 (emphasis added).

18. Further, Amar also executed a Commercial Guaranty of the A-Z agreement, which states:

Guarantor hereby unconditionally guarantees the Guaranteed Obligations² which are monetary obligations and shall be paid in full when due and payable...Guarantor’s liability hereunder is direct, absolute and unconditional and may be enforced after nonpayment or non-performance by Maker³ of any Guaranteed Obligations without requiring Imperial Trading to resort to any other person or

² The term “Guaranteed Obligations” is defined in the Commercial Guaranty to mean: “all principal, interest, and other sums coming due under the Note, the Credit Agreement, and any other loan documents.”

³ The term “Maker” is defined as A-Z Wholesalers, Inc.

entity (including, without limitation, Maker) or any other right, remedy or collateral.

See Ex. 2.

19. Thus, Barkat personally guaranteed the A-Z Agreement, and Amar guaranteed both Credit Agreements—the Diamond Agreement, directly, and the A-Z Agreement, by virtue of the terms of the Commercial Guaranty, discussed above. Indeed, Amar specifically guaranteed payment of all debts of A-Z to Imperial by signing the Commercial Guaranty. *See* Ex. 2.

20. With respect to the Credit Agreements, each Guarantor agreed that the terms of the respective Credit Agreements—and their personal guarantees—would not “merely [apply] to the business location or operation noted herein.” Exs. 1 and 4. Moreover, each Guarantor personally guaranteed debts secured by A-Z’s inventory, for goods that were to be shipped to A-Z, at 11100 Harry Hines Blvd., Dallas, Texas 75229. *See id.* (“grant[ing] a UCC security interest in and to any and all of Purchaser’s present and future inventory... for all stores that purchaser operates now and hereafter and for all related parties and entities”); *see also* Exs. 1 and 4 (the credit applications attached thereto).

21. Imperial sent a Notice of Default and Demand for Payment to Defendants on March 18, 2019, notifying Defendants of their defaults under the Credit Agreements, among other things, and demanding that Defendants pay the entire unpaid balance of \$2,574,885.73 owed under the Credit Agreements. *See* Ex. 6. That unpaid balance is further evidenced by the Invoices attached hereto as Exhibit 7. But Defendants have failed and refused to make such payment to Imperial.

22. In addition, Defendants—who had delivered numerous checks to Imperial for future deposit—stopped payment on six (6) checks that Imperial attempted to deposit (in the aggregate amount of \$175,000) before Imperial sent its demand. *See* Ex. 8. After Imperial sent its demand, on March 19, 2019, Imperial attempted to deposit six (6) more checks from Defendants

(in the aggregate amount of \$150,000); a seventh check on March 20, 2018 (in the amount of \$25,000); and an eighth check on March 21, 2018 (also in the amount of \$25,000).

23. None of those eight (8) checks (in the aggregate amount \$200,000) have cleared, and Imperial suspect Defendants may also stopped payment on those eight (8) checks as well.

24. Thus, Defendants have certainly stopped payment on six (6) checks (in the aggregate amount of \$175,000). Defendants may have stopped payment on as many as 14 checks (in the aggregate amount of \$375,000).

25. The fact that Defendants have stopped payment on checks further heightens Imperial's concerns regarding Defendants' liquidity and motives. Such conduct by Defendants has fueled concerns that—without immediate Court intervention—the Collateral will go missing and/or be sold, with the proceeds being moved beyond Imperial's reach, as discussed below. *See* Part VII, Count 4, *infra*.

26. As of the filing of this Verified Petition, after allowing for all just and lawful offsets, payments, and credits, and exclusive of interest, reasonable and necessary attorneys' fees, costs, and expenses, the total amount due and owing to Imperial under the Credit Agreements is \$2,574,885.73. Under the Credit Agreements' terms, interest on that balance has accrued, is accruing, and will continue to accrue, at 22 percent (22%) per annum.

27. As a result of Defendants' defaults, Imperial retained the undersigned law firm to represent it, to protect its rights under the Credit Agreements, and to, among other things, file suit to enforce the Credit Agreements and collect the amounts due and owing thereunder. Imperial agreed to pay the undersigned firm for its reasonable and necessary attorneys' fees, costs, and expenses incurred.

VI. CONDITIONS PRECEDENT:

28. All conditions precedent to Imperial's right to maintain this suit and file this application have been satisfied and/or waived.

VII. CLAIMS FOR RELIEF:

Count 1 – Breach of Contract:

29. Imperial incorporates by reference paragraphs 1 through 23 herein.

30. The Credit Agreements are valid and enforceable contracts by and among Plaintiff and Defendants.

31. Imperial has performed all conditions precedent, covenants, and promises required of it pursuant to the terms and conditions of the Credit Agreements.

32. Defendants have breached the Credit Agreements—and defaulted thereunder—by failing to make payments due and owing to Imperial under the Credit Agreements.

33. Imperial has suffered damages as a result of Defendants' breaches in an amount no less than \$2,574,885.73, plus all interest, fees, expenses, and costs that have accrued since October 22, 2018, and that continue to accrue under the terms of the Credit Agreements.

34. Consequently, Imperial is entitled to the rights and remedies available to it under the Credit Agreements and at law.

Count 2 – Suit on Sworn Account:

35. Imperial incorporates by reference paragraphs 1 through 29 herein.

36. In the alternative, without waiving the foregoing, Imperial brings this action for suit on sworn account for non-payment for the goods sold and delivered by Imperial to Defendants.

37. From October 22, 2018 to March 4, 2019, Defendants ordered from Imperial various quantities of tobacco products and other sundries for Defendants' convenience store business. These agreements to purchase tobacco products and other sundries were memorialized

by written invoices. *See* Ex. 7. From October 22, 2018 to March 4, 2019, Imperial submitted 39 invoices to Defendants for such products in the total amount of \$2,574,885.73, exclusive of interest.

38. Imperial timely delivered all of the products ordered by Defendant and reflected in the invoices. Imperial fully complied with the parties' agreements.

39. The charges for the tobacco products and other sundries at issue are the usual, customary, and reasonable charges for such products and are the amounts that Defendants agreed to pay to Imperial. These amounts are reflected in the invoices pertaining to the transactions. *See* Ex. 7. Furthermore, these items were and are reasonably worth the amounts charged.

40. Despite the invoices being due within 30 day terms, Defendant's account remains unpaid. The invoices are now up to four (4) months delinquent.

41. Imperial has made repeated requests to Defendants to make payments on the invoices. On March 18, 2019, counsel for Imperial sent a letter to Defendants demanding payment of the account. But Defendants have yet to pay the invoices as requested.

42. Imperial has made allowances to Defendants' account for any just payments, offsets, and credits, yet the amount of \$2,574,885.73, exclusive of interest, remains unpaid, due and owing to Imperial on this account.

43. All conditions precedent to Imperial's right to recovery have been performed or have occurred.

Count 3 – Attorneys' Fees:

44. Defendants' default in payment has made it necessary for Imperial to employ Locke Lord LLP to file suit. Imperial's claim was timely presented to Defendants, by letter dated March 18, 2019, but remains unpaid. Imperial has satisfied any presentment issue. Imperial prays that

the Court award it its reasonable attorneys' fees under the Credit Agreements, or alternatively, under section 38.001 of the Texas Civil Practice and Remedies Code.

Count 4 – Ex. Parte Appointment of a Receiver:

45. Imperial incorporates by reference paragraphs 1 through 38 herein.

46. Pursuant to Tex. Civ. Prac. & Rem. Code § 64.001(a)(2) a receiver may be appointed “*in an action by a creditor to subject any property or fund to his claim.*” In such cases, a receiver may be appointed upon the application of a party that has “*a probable interest in or right to the property or fund, and the property or fund must be in danger of being lost, removed or materially injured.*” Tex. Civ. Prac. & Rem. Code § 64.001(b) (emphasis added).

47. Moreover, pursuant to section 11.404(a)(2)(B) and 11.404(a)(3) of the Texas Business and Organizations Code, this Court may appoint a receiver over the property and business of a domestic entity where in an action by a creditor of the domestic entity it is established that the entity is insolvent and has admitted in writing that the claim of the creditor is due and owing, or in an action in which courts of equity have traditionally appointed a receiver.

48. Furthermore, pursuant to section 11.405(a)(3) and 11.405(a)(4) of the Texas Business and Organizations Code, on application by a creditor of a domestic entity, this Court may order the liquidation of the property and business of a domestic entity and appoint a receiver to effect the liquidation if (i) the entity is in receivership and the court does not find that any plan presented before the first anniversary date of the receiver was appointed is feasible for remedying the condition requiring appointment of the receiver; or (ii) it is established that irreparable damage will ensue to the unsecured creditors of the domestic entity as a class generally, unless there is an immediate liquidation of the property of a domestic entity.

49. Lastly, Article 5, section 8 of the Texas Constitution makes clear that a Texas district court is a court of general original jurisdiction, and as such, has the power to appoint a

receiver, along with other powers of law and equity. *See* Tex. Gov't Code §§ 24.007-008 and 24.303. Indeed, this Court may appoint a receiver on its own motion and without application of a party because the facts justify the appointment to preserve and protect property in litigation. *See Cross v. Cross*, 738 S.W.2d 86, 87 (Tex. App.—Corpus Christi 1987, writ dismissed w.o.j.).

50. Here, the Credit Agreements and the UCC-1 financing statements unambiguously establish Imperial's perfected security interest in, and right to, the Collateral.

51. Defendants are in default under the Credit Agreements.

52. As a result, Imperial sent its Notice of Default and Demand for Payment to Defendants, demanding payment of the amounts owed under the Credit Agreements.

53. Accordingly, because Defendants have stopped payment on checks (*see* Ex. 8), and have failed to immediately pay to Imperial the amounts demanded, Imperial believes that Debtors are insolvent.

54. Debtors' default has put the Collateral in immediate danger of being lost, removed, or materially injured and has caused, and will continue to cause, great and irreparable damage to Imperial until Debtors are enjoined and restrained by order of this Court.

55. The Collateral is in immediate danger of being lost, removed, or materially injured, and Imperial is in danger of irreparable damage because: (i) Debtors' retention of the proceeds from the disposition of Collateral sold allows Debtors to use Imperial's Collateral for unauthorized purposes thereby resulting in the dissipation of Imperial's Collateral; (ii) the Collateral includes tobacco products and various other sundries that can be easily transferred or sold with the proceeds therefrom lost or removed beyond Imperial's recovery; and (iii) to the extent the Collateral is sold to a customer in the ordinary course of Debtors' business, Imperial may lose its security interest in accordance with Tex. Bus. Comm. Code. § 9.3320.

56. Imperial seeks the immediate, *ex parte* appointment of a receiver to operate, preserve and protect the value of the Collateral from being lost, removed, or materially damaged, or alternatively, to liquidate the Collateral and Debtors' business. In addition to an alleged \$1,985,669.57 of wholesale inventory (as of January 29, 2019), Defendants have represented to Imperial that A-Z currently has \$981,611.86 in accounts receivable. Imperial cannot independently verify the accuracy of those reports; however, even if those amounts are accepted as true, Defendants have admitted in writing that their tangible assets are insufficient to satisfy Defendants' debts under the Credit Agreements. Accordingly, the appointment of a receiver is necessary to protect Debtors' intangible assets, such as accounts receivable, as Debtors may otherwise be able to collect on those accounts and dispose of the proceeds, to Imperial's detriment. Furthermore, if a receiver is not appointed, any "going concern" value associated with the Debtors' business could be lost. Thus, if a receiver is not appointed to operate, preserve, and protect the value of the Collateral and Debtors' business, or alternatively, to liquidate the Collateral and the Debtors' business, Imperial is in danger of suffering irreparable damage, and any unsecured creditors of Debtors are certain, if not nearly certain, to also suffer irreparable damage.

57. All other requirements in law have been complied with and Imperial has no adequate remedy at law for the injuries it will suffer if Debtors retain possession of the Collateral in defiance of Imperial's rights because the solvency and ability of Debtors to pay damages is highly doubtful, and it will be impossible for Imperial to determine the precise amount of damages it will suffer if Debtors' conduct is not restrained and enjoined.

58. Imperial's request for appointment of a receiver is made without prejudice to Imperial's right to exercise a nonjudicial foreclosure or its other remedies as provided for by the Credit Agreement and/or applicable law.

VIII. PRAYER:

WHEREFORE, Imperial prays judgment against Defendants as follows:

- A. That Defendants be cited and served as set forth herein;
- B. For damages, jointly and severally as to all Defendants, in an amount no less than \$2,574,885.73, plus pre-judgment interest at 22 percent (22%) per annum, or the highest lawful rate;
- C. Pursuant to Tex. Civ. Prac. & Rem. Code § 64.001, Tex. Bus. Org. Code §§ 11.404 and/or 11.405, and this Court's equitable and inherent powers, for the immediate, *ex parte* appointment of Daniel J. "Corky" Sherman of Sherman & Yaquinto, LLP as a receiver for Defendants, with powers authorized by this Court to operate, preserve, and protect the Collateral during the pendency of this suit, with the power to take further action as authorized by this Court;
- D. For reasonable attorneys' fees incurred herein;
- E. For all costs of suit herein;
- F. Post-judgment interest on the foregoing sums at 22 percent (22%) per annum, or the highest lawful rate, from the date of judgment until paid; and
- G. For such other and further relief as this Court may deem just.

Dated: March 25, 2019.

PROMISSORY NOTE

\$250,000.00

January 11, 2019

FOR VALUE RECEIVED, A-Z WHOLESALERS, INC. ("Maker") promises to pay to the order of IMPERIAL TRADING CO., L.L.C. ("Imperial Trading") at its principal office located at 701 Edwards Avenue, Harahan, Louisiana 70123 (or such other place as the holder hereof may hereafter designate in writing), in immediately available funds and in lawful money of the United States of America, the principal sum of TWO HUNDRED AND FIFTY THOUSAND and 00/100 Dollars (\$250,000.00) without interest.

1. Application/Credit Agreement; Security. This Promissory Note has been issued pursuant to the terms of that certain Application/Credit Agreement effective as of March 11, 2011 dated concurrently herewith between Imperial Trading and Maker, (the "Credit Agreement"). Reference is hereby made to the Credit Agreement for all purposes including definitions of capitalized terms not otherwise defined herein. Imperial Trading is entitled to the benefits of and security provided for in the Credit Agreement. However, to the extent of any inconsistency between this Promissory Note and the Credit Agreement, the terms of this Promissory Note shall control.

2. Payments of Principal.

(a) On the Maturity Date of 2/28/2019, the entire principal balance of this Promissory Note, in the amount of \$250,000.00, shall be finally due and payable without notice or demand.

(b) If any payment provided for in this Promissory Note shall become due on a day other than a business day, such payment may be made on the next succeeding business day (unless the result of such extension of time would be to extend the date for such payment into another calendar month or beyond the Maturity Date), and in either such event such payment shall be made on the business day immediately preceding the day on which such payment would otherwise have been due.

(c) ~~Maker agrees that while this Promissory Note is outstanding and the Credit Agreement remains in effect, Maker will purchase all tobacco, candy, HBA, dairy, fresh, snacks, supplies and groceries for all Maker's Stores from Imperial Trading and/or its subsidiaries, affiliates, owners, agents and/or employees and will only purchase from a second supplier those items for which Imperial Trading cannot meet Customer's needs (i.e. order quantity and/or "need by" date) for individual orders. This provision requires that Imperial Trading is to receive no less than 100% of all business from Maker in any given month for the categories and types of goods/product agreed to in this agreement.~~

3. No Usury Intended. Notwithstanding any provision to the contrary contained in this Promissory Note, it is expressly provided that in no case or event shall the aggregate of (i) all interest on the unpaid balance of this Promissory Note, accrued or paid from the date hereof and (ii) the aggregate of any other amounts accrued or paid

pursuant to this Promissory Note or the Credit Agreement, which under applicable laws are or may be deemed to constitute interest upon the indebtedness evidenced by this Promissory Note from the date hereof, ever exceed the maximum rate allowed by applicable law. In this connection, Maker and Imperial Trading stipulate and agree that it is their common and overriding intent to contract in strict compliance with applicable usury laws. In furtherance thereof, none of the terms of this Promissory Note shall ever be construed to create a contract to pay, as consideration for the use, forbearance or detention of money, interest at a rate in excess of the maximum rate allowed by applicable law. The provisions of this Paragraph shall control all agreements, whether now or hereafter existing and whether written or oral, between Maker and Imperial Trading.

4. Default.

(a) Maker shall be in default ("Default") under the Credit Agreement and this Promissory Note in the event that (i) any payment is not made when due under the Promissory Note in accordance with the other terms herein; ~~or (ii) any breach or event of default, including but not limited to payment default, exists under the Credit Agreement beyond the applicable notice and cure period; if any; or (iii) any breach or event of default shall have occurred under any other agreement between Maker and Imperial Trading (or any of its affiliates)..~~ el

(b) Upon the occurrence of Default, Imperial Trading shall have the right, at its sole option, to declare formally this Promissory Note to be in default and to accelerate the maturity and insist upon immediate payment in full of the unpaid principal balance then outstanding under this Promissory Note, together with reasonable attorneys' fees, costs, expenses and other fees and charges as provided herein. ~~Imperial Trading shall have the further right, again at its sole option, to insist upon immediate payment in full of each and every other loan, extension of credit, debt, liability and/or obligation of every nature and kind that Maker may then owe to Imperial Trading, whether direct or indirect or by way of assignment, and whether absolute or contingent, liquidated or unliquidated, voluntary or involuntary, determined or undetermined, secured or unsecured, whether Maker is obligated alone or with others on a "solidary" or "joint and several" basis, as a principal obligor or otherwise, all without further notice or demand, unless Imperial Trading shall otherwise elect. If Imperial Trading declares this Promissory Note to be in Default, Imperial Trading, at its option, may also, accrue the applicable interest rate on the outstanding principal balance under this Promissory Note to a default interest rate of ^{seven} twenty-one percent (21%) per annum.~~ el

5. No Waiver by Imperial Trading. No delay or omission of Imperial Trading or any other holder hereof to exercise any power, right or remedy accruing to Imperial Trading or any other holder hereof shall impair any such power, right or remedy or shall be construed to be a waiver of the right to exercise any such power, right or remedy. Imperial Trading's right to accelerate this Promissory Note for any late payment or Maker's failure to timely fulfill its other obligations hereunder shall not be waived or deemed waived by Imperial Trading by Imperial Trading's having accepted a late payment or late payments in the past or Imperial Trading otherwise not accelerating this Promissory Note

or exercising other remedies for Maker's failure to timely perform its obligations hereunder. Imperial Trading shall not be obligated or be deemed obligated to notify Maker that it is requiring Maker to strictly comply with the terms and provisions of this Promissory Note before accelerating this Promissory Note and exercising its other remedies hereunder or under the Credit or Security Agreement because of Maker's failure to timely perform its obligations under this Promissory Note.

6. Costs and Attorneys' Fees. If any holder of this Promissory Note retains an attorney in connection with any Event of Default or to collect, enforce or defend this Promissory Note in any lawsuit or in any probate, reorganization, bankruptcy or other proceeding, or if Maker sues any holder in connection with this Promissory Note and does not prevail, then Maker agrees to pay to each such holder, in addition to principal, all reasonable costs and expenses incurred by such holder in trying to collect this Promissory Note or in any such suit or proceeding, including reasonable attorneys' fees. ~~Any amount to be paid under this Paragraph by Maker to Imperial Trading shall be a demand obligation owing by Maker to Imperial Trading and shall bear interest from the date of expenditure until paid at a default rate interest of twenty-one percent (21%) per annum.~~ cl

7. Waivers by Maker and Others. Maker and any and all co-makers, endorsers, guarantors and sureties severally waive notice (including, but not limited to, notice of intent to accelerate and notice of acceleration, notice of protest and notice of dishonor), demand, presentment for payment, protest, diligence in collecting and the filing of suit for the purpose of fixing liability and consent that the time of payment hereof may be extended and re-extended from time to time without notice to any of them. Each such person agrees that his, her or its liability on or with respect to this Promissory Note shall not be affected by any release of or change in any guaranty or security at any time existing or by any failure to perfect or to maintain perfection of any lien against or security interest in any such security or the partial or complete unenforceability of any guaranty or other surety obligation, in each case in whole or in part, with or without notice and before or after maturity.

8. Paragraph Headings. Paragraph headings appearing in this Promissory Note are for convenient reference only and shall not be used to interpret or limit the meaning of any provision of this Promissory Note.

9. Choice of Law. THIS PROMISSORY NOTE AND THE OTHER LOAN DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL IN ALL RESPECTS BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF LOUISIANA (WITHOUT GIVING EFFECT TO LOUISIANA' PRINCIPLES OF CONFLICTS OF LAW). MAKER AGREES THAT THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF LOUISIANA SHALL BE THE EXCLUSIVE VENUE FOR ANY PROCEEDING BROUGHT RELATING TO THIS PROMISSORY NOTE, AND TO THE EXTENT THAT SUCH COURT LACKS SUBJECT MATTER JURISDICTION, EXCLUSIVE VENUE SHALL

LIE IN THE 24TH JUDICIAL DISTRICT COURT FOR THE PARISH OF JEFFERSON, STATE OF LOUISIANA.

10. Successors and Assigns. This Promissory Note and all the covenants and agreements contained herein shall be binding upon, and shall inure to the benefit of, the respective legal representatives, heirs, successors and assigns of Maker and Imperial Trading.

11. Records of Payments. The records of Imperial Trading shall be prima facie evidence of the amounts owing on this Promissory Note.

12. Severability. If any provision of this Promissory Note is held to be illegal, invalid or unenforceable under present or future laws, the legality, validity and enforceability of the remaining provisions of this Promissory Note shall not be affected thereby, and this Promissory Note shall be liberally construed so as to carry out the intent of the parties to it. Each waiver in this Promissory Note is subject to the overriding and controlling rule that it shall be effective only if and to the extent that (a) it is not prohibited by applicable law and (b) applicable law neither provides for nor allows any material sanctions to be imposed against Imperial Trading for having bargained for and obtained it.

13. Sale and Assignment. Imperial Trading reserves the right, exercisable in its sole discretion and without notice to Maker or any other person, to sell participations or assign its interest, or both, in all or any part of this Promissory Note or any loan evidenced by this Promissory Note.

14. Notices. All notices or other written communications hereunder shall be delivered in writing via email, overnight, or certified mail at the addresses set forth in the Credit Agreement.

THIS PROMISSORY NOTE REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

Re: Notice of Default and Demand for Payment

Dear Sirs:

Imperial Trading Co., LLC ("Imperial") has retained Locke Lord, LLP to collect the indebtedness of A-Z Wholesalers, Inc. and Diamond Wholesale, Inc. ("Debtors"), pursuant to their agreements with Imperial.

Pursuant to the Credit Agreements executed in favor of Imperial by Debtors, and personally guaranteed by Barkat Ali ("Guarantor"), and the terms of Debtors' accounts (collectively, the "Credit Terms"), Debtors collectively owe Imperial the aggregate sum of **\$2,574,885.73**. Pursuant to the Credit Terms, these amounts accrue interest at the rate of twenty-two percent (22%) per annum until paid. Also pursuant to the Credit Terms, all attorneys' fees and costs of collection of the indebtedness will also be charged to Debtors pursuant to the Credit Terms.

Further, Debtors have recently engaged in a practice whereby they have induced Imperial to make shipments based on false pretenses. Specifically, Debtors are currently on C.O.D. terms with Imperial. Debtors have, on several occasions, remitted a check to Imperial for C.O.D. deliveries and then stopped payment on those checks, thus inducing Imperial to make additional shipments to Debtors (aggregating more than \$150,000) without payment in accordance with the

March 18, 2019

Page 2

C.O.D. terms. Please be advised that, in addition to the collection of the full indebtedness, Imperial is considering all of its legal and equitable remedies in connection with Debtors' conduct, including, but not limited to claims under applicable law governing deceptive trade practices and check-related crimes.

Finally, A-Z Wholesalers, Inc. owes Imperial the additional sum of \$250,000 pursuant to the certain promissory note made payable to the order of Imperial on or about January 11, 2019 (the "Note"). The Note matured on February 28, 2019, has not been paid, and, accordingly, is now in default.

Notwithstanding the fact that Debtors expressly waived all notice of default, and the debt(s) having fully matured, in an abundance of caution, this letter shall serve as formal notice of Debtors' defaults(s) and a demand for payment of the above described debts. Moreover, to the extent any debt has not matured, and notice of acceleration is required (which Imperial does not believe to be the case), this letter shall further serve as notice of Imperial's intent to accelerate any and all debts owed by Debtors.

Furthermore, to the extent that Imperial has previously accepted any late payment from Debtors, this letter shall serve to notify Debtors that Imperial will, in the future, insist upon strict compliance with the Credit Terms, the Note, and any other contracts or agreements between Debtors and Imperial.

Failing Debtors' immediate payment in full of all sums due and owing, or immediate agreement as to payment arrangements and assurance of payment suitable to Imperial in its sole and absolute discretion, Imperial will exercise all legal rights and remedies to collect the aforementioned debts from Debtors and Guarantor. This includes, but is not limited to, private sale of Imperial's collateral, self-help and repossession of any collateral, although Imperial will allow Debtors' a reasonable time to comply before attempting self-help, and, if necessary, the initiation of a suit seeking damages, costs, attorney's fees, pre and post-judgment interest, sequestration and injunctive relief. Imperial hereby places Debtors on notice that Debtors do not have Imperial's consent to the use of cash-collateral or other proceeds of Imperial's collateral and demands that Debtors account for and segregate any and all such proceeds.

Neither this letter nor any action taken by Imperial to enforce its rights to collect the amounts due, nor continuing to transact business with Debtors from and after the date of this letter in any manner, shall be deemed an election of remedies or a waiver of any rights or other actions Imperial may have against Debtors at law or in equity. Imperial expressly reserves all rights and remedies under the contract and applicable law.

CIVIL ACTION NO. 3:19-CV-1057-B

PLAINTIFF'S OBJECTIONS AND RESPONSES TO
DEFENDANTS' FIRST AMENDED SET OF DISCOVERY REQUESTS

To: Defendants A-Z Wholesalers, Inc. and Barkat G. Ali, by and through their counsel of record, Joyce W. Lindauer, Jeffery M. Veteto, Guy H. Holman, Joyce W. Lindauer Attorney, PLLC, 12720 Hillcrest Road, Suite 625, Dallas, TX 75230.

Plaintiff Harrison Company, LLC ("Harrison") serves the following objections and responses to Defendants A-Z Wholesalers, Inc., and Barkat G. Ali's First Amended Discovery Requests:

I. OBJECTIONS TO INSTRUCTIONS AND DEFINITIONS

1. Harrison objects to Defendants' instructions to the extent they purport to impose a burden on Harrison beyond those described in the Federal Rules of Civil Procedure. This objection applies but is not limited to Defendants' Instructions K and L. Harrison will comply with the Federal Rules of Civil Procedure in responding to these requests.

2. Harrison objects to the definition of "Plaintiff" or "Harrison" or "You" insofar as it includes Harrison's "agents, ... attorneys, and representatives." In responding to these requests,

Harrison will treat “Plaintiff” or “Harrison” or “You” to mean the entity Harrison Company, LLC—the sole Plaintiff in this action—and its employees.

3. Harrison objects to the definition of “Imperial” to the extent it includes Imperial Trading Company, LLC’s “agents, ... attorneys, and representatives.” In responding to these requests, Harrison will treat “Imperial” to mean the entity Imperial Trading Company, LLC and its employees.

4. Harrison objects to Instruction J, to the extent it is not limited to hardcopy documents.

5. Harrison objects to the time and place for production of responsive items, as well as the mode of production (Instruction O). Harrison is in the process of collecting the requested business records; however, its resources are currently limited by the COVID-19 pandemic. Harrison will produce responsive documents on a rolling basis. Harrison cannot produce confidential bank statements and financial information until a Confidentiality Agreement or Protective Order is in place. Harrison reserves the right to produce electronic documents via FTP link or share site.

II. OBJECTIONS AND RESPONSES TO FIRST REQUESTS FOR ADMISSIONS

REQUEST FOR ADMISSION NO. 1: Admit that the invoices upon which Harrison relies as the basis for this suit were generated pursuant to A-Z’s placement of orders using a handheld device and base unit that interfaced with the “MOBInet” desktop computer order management application software (collectively the “Order Placement System”) owned by Imperial.

RESPONSE: Deny.

REQUEST FOR ADMISSION NO. 2: Admit that A-Z could also place orders by telephone.

RESPONSE: Harrison admits only that A-Z had the option to place orders by telephone. Otherwise, deny.

REQUEST FOR ADMISSION NO. 3: Admit that the telephone number used to place such orders is currently owned or rented from the telephone service provider/carrier (i.e. paid for) by Imperial.

RESPONSE: Deny.

REQUEST FOR ADMISSION NO. 4: Admit that A-Z could also place orders by electronic mail.

RESPONSE: Harrison admits only that A-Z had the option to place orders by electronic mail. Otherwise, deny.

REQUEST FOR ADMISSION NO. 5: Admit that the email address to which A-Z may place orders is owned (i.e. paid for) by Imperial.

RESPONSE: Deny.

REQUEST FOR ADMISSION NO. 6: Admit that the personnel who process merchandise orders from A-Z are employed and/or paid by Imperial.

RESPONSE: Deny.

REQUEST FOR ADMISSION NO. 7: Admit that Harrison is a separate and distinct entity from Imperial.

RESPONSE: Admit.

REQUEST FOR ADMISSION NO. 8: Admit that Harrison did not ship the products related to the invoices that Harrison now claims right to payment.

RESPONSE: Deny.

REQUEST FOR ADMISSION NO. 9: Admit that Harrison did not process or fulfill the orders related to the invoices that Harrison now claims right to payment.

RESPONSE: Deny.

REQUEST FOR ADMISSION NO. 10: Admit that Harrison did not log the revenue on its books related to partial payments by A-Z on invoices that Harrison now claims right to payment.

RESPONSE: Deny.

III. OBJECTIONS AND RESPONSES TO FIRST SET OF INTERROGATORIES

INTERROGATORY NO. 1: What is the physical address for Imperial's headquarters, main office, and/or principal place of business?

RESPONSE: Harrison objects to this interrogatory as unduly burdensome in that it seeks information that is publicly available. Imperial's address is on file with the Louisiana Secretary

of State and is listed in public records that are equally available to Defendants. Imperial's headquarters are located at 701 Edwards Ave., Elmwood, LA 70123. Harrison will also produce documents from which an answer to this interrogatory may be derived or ascertained pursuant to Rule 33(d) of the Federal Rules of Civil Procedure.

INTERROGATORY NO. 2: What is the physical address for Harrison's headquarters, main office, and/or principal place of business?

RESPONSE: Harrison's headquarters are located at 4801 Viking Dr., Bossier City, LA 71111. Harrison will also produce documents from which an answer to this interrogatory may be derived or ascertained pursuant to Rule 33(d) of the Federal Rules of Civil Procedure.

INTERROGATORY NO. 3: What is the organizational and operational relationship between Harrison & Imperial?

RESPONSE: Harrison objects to this interrogatory as unduly burdensome in that it seeks information that is publicly available. Documents showing the organizational relationship between Harrison and Imperial are filed with the Louisiana Secretary of State. Such documents are public records that are equally available to Defendants. As shown by those documents, Imperial is Harrison's sole member. With respect to their operational relationship, Imperial provides executive level management and accounting services for Harrison.

INTERROGATORY NO. 4: What is the physical address of the warehouse location(s) from which Harrison shipped goods and merchandise to A-Z?

RESPONSE: The physical address of the warehouse from which Harrison shipped goods and merchandise to A-Z is 4801 Viking Dr., Bossier City, LA 71111.

INTERROGATORY NO. 5: Which business entity, Imperial or Harrison, owns or leases the warehouse(s) from which goods and merchandise were shipped to A-Z.

RESPONSE: Harrison owns the warehouse located at 4801 Viking Dr., Bossier City, LA 71111.

INTERROGATORY NO. 6: When did Imperial acquire Harrison?

RESPONSE: Harrison objects to the term "acquire" as vague, ambiguous, and misleading. Harrison further objects to this interrogatory as unduly burdensome in that it seeks information that is publicly available. Documents containing the requested information are filed with the Louisiana Secretary of State. Such documents are public records that are equally available to Defendants. Imperial became Harrison's sole member, effective September 1, 2014. Harrison will also produce documents from which an answer to this interrogatory may be derived or ascertained pursuant to Rule 33(d) of the Federal Rules of Civil Procedure.

INTERROGATORY NO. 7: What is the percentage of Imperial's ownership interest in Harrison? If less than 100%, what individuals or entities also have an ownership interest and in what percentage amount?

RESPONSE: Imperial owns 100% of the membership interests in Harrison.

INTERROGATORY NO. 8: At which bank(s) does Harrison maintain primary and merchant accounts? What are the account numbers for each?

RESPONSE: Harrison maintains bank accounts at PNC Bank. Subject to a Confidentiality Agreement or Protective Order, Harrison will produce documents from which an answer to this interrogatory may be derived or ascertained pursuant to Rule 33(d) of the Federal Rules of Civil Procedure.

INTERROGATORY NO. 9: Into which account(s) has Harrison deposited payment from A-Z? If deposited into multiple accounts, what is the purpose of doing so?

RESPONSE: Harrison objects to this interrogatory as overbroad, to the extent it is intended to cover the entire "Relevant Period," as defined by Defendants. Although the Credit Agreement between Harrison and Defendants was executed on March 11, 2011, the invoices at issue in this lawsuit were sent to A-Z from October 22, 2018 through March 4, 2019. At some point prior to October 22, 2018, and after Imperial became Harrison's sole member, payments from A-Z were deposited into an Imperial account at PNC Bank, with those payments being credited to Harrison's books.

INTERROGATORY NO. 10: Which business entity's employees, Imperial's or Harrison's, fulfilled the A-Z orders?

RESPONSE: Harrison.

INTERROGATORY NO. 11: Which business entity (Imperial or Harrison) is the pay master for the employees who fulfilled the A-Z orders?

RESPONSE: Harrison.

INTERROGATORY NO. 12: Which business entity (Imperial or Harrison) carries the worker's compensation insurance policy for employees fulfilling the A-Z orders?

RESPONSE: Harrison.

INTERROGATORY NO. 13: Which business entity (Imperial or Harrison) accounts for the revenue and expenses associated with sales of goods and merchandise to A-Z for purposes of preparing financial statements, records, and reports, and/or tax records?

RESPONSE: Harrison.

INTERROGATORY NO. 14: Which business entity (Imperial or Harrison) wrote off the purported bad debt associated with alleged delinquent invoices to A-Z?

RESPONSE: Harrison objects to this interrogatory because it assumes facts not in evidence. The debt has not been written off; but if it were written off, Harrison would write it off.

IV. OBJECTIONS AND RESPONSES TO REQUESTS FOR PRODUCTION

REQUEST FOR PRODUCTION NO. 1: A true and correct copy of all invoices for goods and merchandise from Harrison or Imperial to A-Z.

RESPONSE: Harrison objects to this request as overly broad, not proportional to the needs of the case, and unduly burdensome, to the extent it seeks documents for the entire “Relevant Period.” Although the Credit Agreement between Harrison and Defendants was executed on March 11, 2011, the invoices at issue in this lawsuit were sent to A-Z from October 22, 2018 through March 4, 2019. Defendants should already have copies of those invoices. Nevertheless, Harrison will produce Bates-labeled copies of those invoices.

REQUEST FOR PRODUCTION NO. 2: A true and correct copy of all packing slips / bills of lading for goods and merchandise shipped or delivered from Harrison or Imperial to A-Z, Barkat Ali, and/or Amar Ali.

RESPONSE: Harrison objects to this request as overly broad, not proportional to the needs of the case, and unduly burdensome, to the extent it seeks documents for the entire “Relevant Period.” Although the Credit Agreement between Harrison and Defendants was executed on March 11, 2011, the invoices at issue in this lawsuit were sent to A-Z from October 22, 2018 through March 4, 2019. Harrison will produce documents that may be responsive to this request that are related to the invoices at issue.

REQUEST FOR PRODUCTION NO. 3: A true and correct copy of each piece of correspondence between Harrison and A-Z, Barkat Ali, and/or Amar Ali.

RESPONSE: Harrison objects to this request as overly broad, not proportional to the needs of the case, and unduly burdensome, to the extent it seeks documents for the entire “Relevant Period.” Subject to a Confidentiality Agreement or Protective Order, Harrison will produce documents that may be responsive to this request.

REQUEST FOR PRODUCTION NO. 4: A true and correct copy of each facsimile transmitted from Harrison to A-Z, Barkat Ali, and/or Amar Ali.

RESPONSE: Harrison objects to this request as overly broad, not proportional to the needs of the case, and unduly burdensome, to the extent it seeks documents for the entire “Relevant Period.” Although the Credit Agreement between Harrison and Defendants was executed on March 11, 2011, the invoices at issue in this lawsuit were sent to A-Z from October 22, 2018 through March 4, 2019. However, after a diligent search, Harrison has not located any document responsive to this request. If any responsive document is located, Harrison will supplement.

REQUEST FOR PRODUCTION NO. 5: A true and correct copy of any and all demand letters from Harrison to A-Z, Barkat Ali, and/or Amar Ali.

RESPONSE: Defendants should already have a copy of Harrison’s May 2, 2019 demand letter. Nevertheless, Harrison will produce a Bates-labeled copy of that demand letter.

REQUEST FOR PRODUCTION NO. 6: A true and correct copy of Harrison's policies and procedures concerning order processing / fulfillment and shipping.

RESPONSE: Harrison has no responsive document.

REQUEST FOR PRODUCTION NO. 7: A true and correct copy of Harrison's policies and procedures concerning invoicing of customer orders.

RESPONSE: Harrison has no responsive document.

REQUEST FOR PRODUCTION NO. 8: A true and correct copy of any and all written agreements and/or contracts between Harrison or Imperial and A-Z, Barkat Ali and/or Amar Ali.

RESPONSE: Defendants should already have a copy of the responsive document, which is attached as Exhibit A to Harrison's Complaint. Nevertheless, Harrison will produce a Bates-labeled copy of that document.

REQUEST FOR PRODUCTION NO. 9: A true and correct copy of any documentation memorializing or referring to any oral agreement and/or contract between Harrison or Imperial and A-Z, Barkat Ali and/or Amar Ali.

RESPONSE: Harrison has no responsive document.

REQUEST FOR PRODUCTION NO. 10: Provide contact information for each and every person responsible for receiving merchandise orders from A-Z, identifying the business entity that employs each (i.e. Harrison, Imperial, or a third party). If such person is employed by a third-party entity, identify which business entity holds the contract for such person's services (i.e. Harrison or Imperial).

RESPONSE: Harrison notes that Defendants' requests for production include two requests numbered "10." Harrison will refer to this request as "10a." Harrison objects to this request as an improper request for production. Although styled as a "request for production," the request is phrased like an interrogatory. Harrison is not required to create responsive documents under the applicable Federal Rules of Civil Procedure. After a diligent search, Harrison has not located any document responsive to this request. If any responsive document is located, Harrison will supplement.

REQUEST FOR PRODUCTION NO. 10: A true and correct copy of all documents referring to due diligence conducted/performed to approve A-Z, Barkat Ali, and/or Amar Ali for an extension of credit or credit guarantee.

RESPONSE: Harrison notes that Defendants' requests for production include two requests numbered "10." Harrison will refer to this request as "10b." Harrison objects to this request as overly broad, to the extent it is not limited to due diligence performed by Harrison. With respect to Amar Ali, Harrison objects to relevance. Amar Ali guaranteed a separate credit agreement with Harrison on behalf of a separate entity. Nevertheless, without waiving any objection, Harrison will produce documents that may be responsive to this request.

REQUEST FOR PRODUCTION NO. 11: A true and correct copy of any Harrison product catalogs.

RESPONSE: Harrison has no responsive document.

REQUEST FOR PRODUCTION NO. 12: A true and correct copy of Imperial's product catalogs.

RESPONSE: Harrison notes that Defendants' requests for production include two requests numbered "12." Harrison will refer to this request as "12a." Harrison objects to relevance, to the extent this request is directed at Imperial. Harrison also objects to this request to the extent it seeks documents that are not in Harrison's possession, custody, or control. Imperial is not a party to this lawsuit. Harrison has no responsive document.

REQUEST FOR PRODUCTION NO. 12: A true and correct copy of Harrison's or Imperial's accounts receivable aging schedule concerning any alleged A-Z delinquent invoices.

RESPONSE: Harrison notes that Defendants' requests for production include two requests numbered "12." Harrison will refer to this request as "12b." Harrison objects to relevance, to the extent this request is directed at Imperial. Harrison also objects to this request to the extent it seeks documents that are not in Harrison's possession, custody, or control. Imperial is not a party to this lawsuit. Harrison further objects to this request to the extent it seeks confidential and/or irrelevant information about *other* customers. Harrison will produce a redacted copy of its accounts receivable aging schedules that may be responsive to this request.

REQUEST FOR PRODUCTION NO. 13: A true and correct copy of any document referring to inter-company agreements between Harrison and Imperial concerning processing/fulfillment, shipping, invoicing, and accounting of orders for goods and merchandise.

RESPONSE: There is no formal, written "intercompany agreement" between Harrison and Imperial. The business relationship between Harrison and Imperial is evidenced by their respective financial records. Subject to a Confidentiality Agreement or Protective Order, Harrison will produce documents that may be responsive to this request.

REQUEST FOR PRODUCTION NO. 14: A true and correct copy of all invoices for goods and merchandise from Imperial to A-Z.

RESPONSE: Harrison objects to this request as vague, ambiguous, and duplicative of Defendants' request for production No. 1. Harrison also objects to relevance, to the extent this request is directed at Imperial. Harrison further objects to this request to the extent it seeks documents that are not in Harrison's possession, custody, or control. Imperial is not a party to this lawsuit. Subject to these objections, see Harrison's response to request for production No. 1.

Civil Action No. _____

PLAINTIFF'S ORIGINAL COMPLAINT

Harrison Company, L.L.C. ("Harrison") files this Original Complaint against Defendants A-Z Wholesalers, Inc. ("A-Z") and Barkat G. Ali ("Ali") and states:

PARTIES

1. Harrison is a Louisiana limited liability company that is authorized to do business in Texas, and its principal place of business is in Bossier City, Louisiana.

2. A-Z is a Texas corporation with its principal place of business in Dallas, Texas. A-Z may be served with process by serving its registered agent, Amar B. Ali, at the following address: 5656 N. Central Expressway, #401, Dallas, Texas 75206, or wherever he may be found.

3. Ali is an individual who resides in Collin County, Texas, and who may be served with process at 4527 Wyvonnies Way, Plano, Texas 75024, or wherever he may be found.

JURISDICTION AND VENUE

4. Harrison is a Louisiana limited liability company whose citizenship for diversity jurisdiction purposes is determined by the citizenship of its member(s). Harrison's sole member is Imperial Trading Co., L.L.C. ("Imperial"), which is also a Louisiana limited liability company. Imperial's members are: (1) the John D. Georges, Jr. Trust; (2) the Eliza Blaise Georges Trust;

and, (3) the Alexandra Coleman Georges Trust. The citizenship of a trust is determined by the citizenship of its trustees. John D. Georges and Dathel C. Georges are the co-trustees of each of Imperial's three member trusts. John D. Georges and Dathel C. Georges are individuals who reside in Louisiana. Because the trusts are each Louisiana citizens, Imperial is a Louisiana citizen. Accordingly, for diversity purposes, Harrison is a Louisiana citizen. A-Z and Ali are both Texas citizens.

5. Jurisdiction is proper under 28 U.S.C. § 1332 because the parties are citizens of different states and the amount in controversy exceeds \$75,000.00, exclusive of interest and costs.

6. Venue is proper in this Court under 28 U.S.C. §§ 1391(b)(1) or (b)(2). Defendants are both Texas residents, A-Z resides in this judicial district, and a substantial part of the events or omission giving rise to Harrison's claims occurred in this judicial district.

FACTUAL BACKGROUND

7. A-Z executed and delivered to Harrison a credit agreement dated March 11, 2011 (the "Credit Agreement") that set forth the terms under which Harrison would sell tobacco products and other sundries to A-Z. A true and correct copy of the Credit Agreement is attached as Exhibit "A," and incorporated by reference.

8. Ali executed and delivered a personal guaranty of A-Z's payment and performance under the Credit Agreement to induce Harrison to extend credit to A-Z.

9. Under the Credit Agreement, A-Z ordered various quantities of tobacco products and other sundries from Harrison, which Harrison supplied through Imperial.

10. Imperial invoiced A-Z for its orders placed through Harrison. Prior to this dispute, A-Z remitted payment for Imperial's invoices sent for orders placed through Harrison.

11. From October 22, 2018 to March 4, 2019, 39 invoices were sent to A-Z for products it ordered totaling \$2,574,885.73. These invoices are outstanding, due, and unpaid.

12. Harrison's parent, Imperial, made demand on A-Z and Ali for payment in a March 18, 2019 letter. Harrison sent its own demand letter on May 2, 2019. Despite these demands, A-Z and Ali have failed and refused, and continue to fail and refuse, to pay the amounts due and owing.

13. Imperial, in an attempt to protect Harrison's interests, filed a state court action to try to get a receiver appointed for A-Z. When Imperial's effort was unsuccessful, Imperial decided to non-suit its action and Harrison elected to file this action to collect from A-Z and Ali.

14. After allowing just and lawful offsets, payments, and credits, and exclusive of interest, attorneys' fees, costs, and expenses, \$2,574,885.73 is the total amount currently due and owing to Harrison under the Credit Agreement.

15. As a result of A-Z's and Ali's failure to perform as agreed, Harrison retained the undersigned law firm to represent it, to protect and enforce its rights under the Credit Agreement, and to, among other things, file suit to collect the amounts due and owing. Harrison has agreed to pay the undersigned firm for its reasonable and necessary attorneys' fees, costs, and expenses incurred.

CAUSES OF ACTION

Count 1 – Breach of Contract:

16. Harrison adopts by reference paragraphs 1 through 15 as if fully set forth herein.

17. The Credit Agreement is a valid and enforceable contract. Harrison has performed all conditions precedent, covenants, and promises required of it pursuant to the Credit Agreement.

18. A-Z breached the Credit Agreement by failing to pay the amounts due and owing.

19. As a result of A-Z's breach, Harrison has suffered damages of \$2,574,885.73, exclusive of any interest, attorneys' fees, costs, or expenses.

Count 2 – Suit on Ali’s Guarantee:

20. Harrison adopts by reference paragraphs 1 through 19 as if fully set forth herein.

21. Harrison required a guarantor to extend credit to A-Z. Ali, to induce Harrison to extend credit to A-Z, executed and delivered a guarantee. Harrison relied on the guarantee to extend credit to A-Z.

22. A-Z is in default under the Credit Agreement. Imperial and Harrison have made demand on both A-Z and Ali for the amounts due and owing, and neither A-Z nor Ali have paid the outstanding balance.

Count 3 – Attorneys’ Fees:

23. Harrison adopts by reference paragraphs 1 through 22 as if fully set forth herein.

24. The Credit Agreement and guarantee provide for the recovery of reasonable attorneys’ fees in the event of default. A-Z and Ali’s failure to perform as agreed is a default and made it necessary for Harrison to employ counsel to file suit. Harrison has made demand for performance and neither A-Z nor Ali has performed. Harrison is entitled to recover its reasonable and necessary attorneys’ fees and expenses under the Credit Agreement, the guarantee, or, alternatively, under section 38.001 of the Texas Civil Practice and Remedies Code.

CONDITIONS PRECEDENT

25. All conditions precedent to Harrison’s right to maintain this suit have either been performed, satisfied, or waived.

PRAYER

WHEREFORE, Harrison requests that Defendants A-Z Wholesalers, Inc. and Barkat G. Ali be cited to appear and answer herein, and that, upon final trial or hearing, the Court enter judgment of and against A-Z and Ali, jointly and severally, for all amounts due and owing under the Credit Agreement and guarantee, together with pre- and post-judgment interest as allowed by

law, awarding Harrison its reasonable and necessary attorneys' fees and expenses, and granting Harrison such other and further relief to which it may show itself to be justly entitled.

Respectfully submitted,

VII.

DEFENDANTS' AFFIRMATIVE AND OTHER DEFENSES

26. In asserting these defenses, Defendants do not assume the burden of proof on any matters for which Plaintiff rightfully bears the burden of proof. In addition, Defendants are continuing to investigate Plaintiff's allegations and, therefore, reserve the right to amend its Answer and Defenses, as permitted.

27. Pursuant to FED. R. CIV. P. 9(a), Defendants specifically deny that Harrison has either the capacity or authority to sue on either the Agreement or the disputes at issue in this

lawsuit because Harrison was not a party to any transaction involving any of the claims it has asserted. Moreover, Harrison did not deliver to Defendants any of the product on which all the asserted claims for nonpayment are made. Rather, a totally separate legal entity—Imperial—was involved in all such transactions. And Harrison knows this to be true because Harrison is a separate but related company.

28. To the extent Plaintiff's claims are based on acts that occurred prior to any applicable statute of limitations, those claims are time-barred.

29. To the extent the Plaintiff failed to comply with any procedural prerequisites prior to bringing their claims in this action, this Court lacks subject matter jurisdiction over such claims or such claims are otherwise barred.

30. To the extent the Plaintiff failed to comply with the procedural prerequisites contracted for in the Credit Application and Agreement, this Court lacks subject matter jurisdiction over such claims, or such claims are otherwise barred.

31. Plaintiff's claims are barred, in whole or in part, because Defendants acted reasonably and in good faith at all times material herein, based on all relevant facts and circumstances known by Defendants at the time it so acted.

32. Plaintiff's claims are barred, in whole or in part, due to accord and satisfaction because the parties modified their payment terms as to arrearages and Defendant A-Z was performing in satisfaction of the modified terms.

33. Plaintiff's Original Complaint is barred, in whole or in part, by the doctrine of unclean hands because Plaintiff failed to fulfill their own side of the modified agreement and thus breached and therefore excused Defendants from performance.

34. Plaintiff's Original Complaint is barred, in whole or in part, by the doctrine of unconscionability, given the parties had agreed to new terms which have not been breached.

35. Plaintiff's claims are barred by the doctrine of novation, given the parties agreed to new terms.

36. Plaintiff's claims are barred by the doctrine of modification, as the parties modified their original agreement and the defendant complied with the modification.

37. Plaintiff's claims are barred by the doctrine of waiver, as Plaintiffs waived rights under the guarantee when the Harrison transferred distribution and shipping to Imperial without consideration.

38. To the extent Plaintiff is not in privity of contract with the Credit Application and Agreement, Plaintiff's lack standing and their claims are barred in whole or in part.

39. To the extent Plaintiff is not in privity of contract with alleged defaulted invoices, Plaintiff's lack standing and their claims are barred in whole or in part.

40. To the extent Plaintiff failed to mitigate their damages, their recovery, if any, must be reduced accordingly.

41. Defendants are not liable to Plaintiff because of mutual mistake related to repayment terms of any alleged arrearage.

42. Defendants are not liable to Plaintiff because of failure of consideration related to the Credit Agreement, caused by Harrison's transferring shipping and distribution to Imperial.

43. Plaintiff's Original Complaint is barred, in whole or in part, because any conduct by Defendants was ratified, consented to and/or acquiesced by Plaintiff.

44. Any and all conduct of which Plaintiff complains, or which is attributed to Defendants, was a just and proper exercise of its management discretion, at all times privileged and justified, and undertaken for fair and honest reasons, in good faith and without malice.

45. Defendants invoke any and all limitations (including constitutional, statutory and common-law) on awards of compensatory, punitive, and/or other damages.

46. Defendants reserve the right to assert additional defenses as they become known during the course of this litigation, and hereby reserve the right to amend this Answer for the purpose of asserting additional affirmative and other defenses.

WHEREFORE PREMISES CONSIDERED, Defendants deny that Plaintiff is entitled to recover anything against either of them and request that the Court enter a take-nothing judgment, awarding Defendants their reasonable and necessary attorneys' fees, expenses, and costs of court.
